

Good Evening Mooroopna Hockey Club members, parents and players,

We hope that you are all well and are ready to exit this short period of lockdown.

Please read through the following information:

### **Training**

MHC was due to commence training this evening (17th February) but due to the current lockdown situation, we are unable to take to the field this evening. With the good news from Dan Andrews today will mean we will be able to take the field next Wednesday (24th February) but please look out for correspondence from the club to confirm this nearer the time. Thank you for your understanding in such a tumultuous time.

When we do take to the field, we will need to follow the HV, GVHA & MHC COVID guidelines by signing in yourself or your child by using the QR code available at the ground. If you are unable to use a mobile device to do this, then please let someone know and we will be able to sign you in. This information will only be used for contact tracing if we require it.

Training times will be as follows:

Junior training - 5:30  
Senior training - 6:30

The RHL season will start at the end of March and the GV season will start the weekend of 17th April.

We look forward to seeing you all playing soon.

### **Registration**

Please start registering with Hockey Victoria for the 2021 season. This is important prior to taking the field for training for insurance purposes. As per the previous email from the club, please ensure you redeem your registration fee from 2020 by following the information from the Hockey Victoria email. If you have not received this, then please let us know and we will send you the link. The GVHA will provide us a list of those that have not done this yet and we'll get in contact with those families soon.

## **HV Junior Leadership program opportunity**

The Hockey Victoria Youth Leadership Program offers new and exciting opportunities for young people aged 15 to 17 (members born 2006, 2005 & 2004). Participants will learn and develop important skills, build their confidence, and become future leaders and ambassadors for the game of hockey through a 12-month program. The program combines several online and face-to-face workshops, providing skills and knowledge that can be applied both on and off the hockey pitch.

If interested, please see the attached information.

As always, if you have any questions regarding this information, please contact any member of the MHC committee or email the secretary at [secretary@mooroopnahc.com](mailto:secretary@mooroopnahc.com).

Kind regards,

MHC Committee Members 2021
