

Good morning members of Mooroopna Hockey Club,

Please read the following information regarding 3 events occurring this week for our wonderful club.

Presentation Day & AGM

Presentation Day is finally here!!! 🏆🏆🏆

As mentioned in previous newsletters, our presentation day and AGM will be **Sunday 21st November** at the hockey hub, starting at 12 noon, with lunch at 12:30. This is a day where we get to celebrate our season and recognise the players and people who have contributed to getting it happening despite all the logistics and it being cut short. The club has organised lunch with one of our major sponsors, Mooroopna Pizzeria but could Senior players please bring a dessert to share in a COVID safe manner.

The AGM will follow lunch and the presentations where the club will present reports on the season and elect a committee to lead it through the 2022 season. We are always after new faces to join the committee, especially parents of the wonderful juniors we have. You do not need to know the ins and outs of hockey to take on a role! If you are interested, please contact us via the social media pages or email at secretary@mooroopnahc.com, or stick around for the AGM next week.

We have been advised by Hockey Victoria and the GVHA that this event is a **Fully Vaccinated event**, so please make sure you have had your COVID vaccination and you have your vaccination certificate available.

GVHA AGM - Postponed!

This Wednesday coming (17th November) was supposed to be the GVHA AGM but unfortunately this has had to be postponed. This is mainly due to major concerns in not being able to fill the Secretary and Treasurer role for the GVHA, but also due to a number of other positions that went unfilled this year. If the GVHA are unable to find people to assist in these roles, this will strongly impact whether they will be able to organise, administer and govern the sport that we love to play every year. I strongly urge people to think about getting involved in volunteering in some capacity for the association to enable them to continue to run our competition effectively. Please have a look at the positions below and let the GVHA (secretarygvha@gmail.com) or MHC (secretary@mooroopnahc.com) know if you would like to help in any capacity.

Twilight Round 2

It was wonderful to see so many Mooroopna players back on the hockey field last week for the first round of twilight! This is another example where wonderful GVHA volunteers have worked to organise a competition for all ages; please make sure you thank them, especially one of our own, James Sach!

Please find attached the fixtures for Round 2 which will take place on Monday 15th November.

If you expressed interest in playing, you were placed in a team so please make sure you turn up to ensure we have enough players each week and that each team has a relatively even gender balance. Remember that this is a SOCIAL competition with mixed ability; please make sure that if you are an experienced player, you act and behave accordingly, and do not hit the ball.

We look forward to seeing you all on Monday and if you are still interested but haven't expressed that, please come on down.

As always, if you have any questions or queries about the above information, do not hesitate to reach out on social media or email at secretary@mooropnahc.com.

Kind regards,

2021 MHC Committee
