

ATTENTION members of the Mooroopna Hockey Club,

Hope you are all well and looking forward to this lockdown and the current restrictions lifting at some point...fingers crossed!

## COVID Guidelines

Due to the recent COVID restrictions, we have had to update our Return to Hockey Guidelines. Please see and familiarise yourself with the attached document that details our expectations as a club to train, play and/or spectate as we return to hockey yet again.

The key points to take from it are that we currently are not allowed to have spectators, numbers are limited at training and we need to be vigilant In using the QR code or sign in every time you enter the hockey field.

Any questions, please let us know.

## Training

Training is on this Wednesday (9th June) as per usual for both juniors and seniors. Juniors should finish at 6:25 to allow the field to be cleared ready for the seniors to start at 6:30. Seniors, please arrive as close as you can to 6:30 and remain off the field until the juniors have cleared.

As before, please sign in using the QR code.

## Junior Comp
